

We treat patients from all walks of life and all ages, from newborns to seniors.

## Healing with Heart

The dedicated health care professionals and staff at Elica Health Centers view patients as individuals, deserving of care that is high quality, compassionate and delivered as conveniently as possible. They come to us—and if needed, we go to them.

Our services focus on:

- Primary Care
- Behavioral Health
- Comprehensive Dental Care
- Wellness and Prevention
- Health Education
- Alcohol and Substance Abuse

We serve people from all cultures and circumstances, including low-income, under-served and immigrant populations. We speak many languages—including the universal ones of trust and respect.

Whether they come to us or we go to them, our patients experience hope. They find they are not alone, and discover the meaning of healing with heart.

Through our Wellness Outside Walls initiative, Elica was the first clinic in the region with a team of health care professionals in the field, delivering care to hard to reach populations whose needs are significant, but access to health care is limited.

## A Proud Partner

Elica is proud to partner with other health care providers and non-profit groups throughout the region, both to offer our services and to link our patients with both specialty care and supportive services. For example, we have developed an extensive network of specialists (Oncologists, Cardiologists, Psychologists, OB/GYNs, etc.) to whom we refer our patients as necessary. Some of the non-profit groups that we work with include Weave, Inc., the Stand Down veteran’s organization, the Sacramento Police Department’s Impact Team, and Sacramento Steps Forward.

We are also pleased to have an affiliation agreement with UC Davis Health, which promotes Elica as a learning environment for tomorrow’s health care professionals and gives our providers access to resources that benefit our patients.

## Qualified and Accredited

Elica Health Centers is a Federally Qualified Health Center (FQHC) and accredited Patient Centered Medical Home. This allows us to provide a complete health care package, which includes the following services:

- Primary Care
- Diagnostic Lab
- Health Education
- Well Child
- Mental Health
- Case Management
- Family Planning
- Substance Abuse
- Specialty Referrals
- Lactation Consultations
- Immunizations
- Screenings
- Transportation
- Translation
- Outreach
- Eligibility
- Comprehensive Dental Health
- Nutrition
- Podiatry
- Chiropractic Care

Elica’s Health on Wheels Mobile Clinic serves thousands of students at Sacramento area K-12 schools, who might otherwise not have access to primary health care.

Elica offers dental services at five locations—Cadillac, Franklin, and Mack Road, and in Sacramento, our North Highlands clinic, and our Halyard clinic in West Sacramento.

We have multiple health centers located in Sacramento and Yolo County, which together account for 128,000 patient visits per year.

## Elica Facts & Figures

- Founded in 1999 and converted to non-profit status in 2002
- Designated as Federally Qualified Health Center (FQHC) in 2012
- Serves Sacramento, Yolo, and Placer County
- 38,000+ patients accounted for over 128,000 visits in 2020
- Home to region's first Street Medicine program, which began in 2015
- 84% of Elica's patients are Medi-Cal recipients
- Operates multiple health centers and mobile clinics
- Employs over 460 people
- 20 languages spoken among diverse staff
- 51% of the Board of Directors are Elica patients

We are proud of the work we have done in Women's Health, especially the progress made in increasing regular cancer screenings.
