

CalAIM Community Supports Housing Navigation

**Free Benefits to help you in
searching, applying and
sustaining housing!**

Assistance in searching and applying for housing:

- A tailored housing support plan that fits your situation
- Support with applications, documentation, and eligibility requirements

Resource Connection:

- Benefit Advocacy
- Help navigating systems like SSI, SSDI, or other income supports
- Guidance on accessing housing vouchers and subsidies

Tenancy and Sustaining Services:

- Support in Landlord Engagement, mediation and advocacy
- Ongoing support to help you stay housed, including budgeting, conflict resolution, and lease compliance.

You keep your Medi-Cal Plan and Benefits. Your current providers and doctors stay the same. Community Supports offer an extra layer of support.

Who qualifies for Community Supports Housing Navigation?

To Qualify, individuals must be enrolled in a Medi-Cal Health Plan with one of the Partner Plans listed below; and have at least one chronic physical, behavioral or developmental health need with the inability to self-manage; and experience or be at risk of homelessness.

Elica Health Centers' Health Plan Partners:

- **Molina Healthcare - Sacramento County**
- **Partnership HealthPlan of California - Yolo and Placer Counties**

Call or email us to inquire if you qualify.

You may also inquire about a referral by calling your health plan or asking your Elica primary care provider to submit a referral to the Care Coordination team.
