

Elica Health Centers Street Medicine team provides veterinary care services on Thursdays and Fridays to homeless pet owners only.

Call or text at (916) 205-3858 and provide us the following information:

We will contact you to arrange a visit as soon as we can.

- Your name
- A phone number you can be reached at
- Your camp location or an easily accessible place
- A brief description on your pet's needs

Services Available:

- Consultation
- Core Vaccines
- Pet Microchips

For pet emergencies within Sacramento City limits, call 311.

**For other pet medical/surgical treatments, visit PAWS
(Pet Aid and Wellness Services) Mobile Clinic:**
